

GUARANTEED LIFETIME INCOME AND GREAT GIFTS TO YOUR CHARITIES

Link Charity has issued \$7 million in new Charitable Gift Annuity agreements in the last 22 months. With a dramatic drop in interest rates recently, these life income guaranteed rates are looking better than ever! Link Charity is now the leading issuer of the Charitable Gift Annuity in Canada.

HERE ARE SOME SAMPLE RATES OF CHARITABLE GIFT ANNUITIES:

Based on a single life \$100,000.00 and payable quarterly. Smaller agreements in the \$20,000.00 range are available also, but Canada Revenue Agency builds in some extra expense and requires Link Charity to reduce the payment a little. The rates below are exact and correct May 13th through the 19th, 2020.

Joint Life agreements would pay less but would pay as long as either of the two people are living.

You can estimate a payment rate if your age is between the samples listed. An accurate quotation is available for you, confidentially, and without obligation. **Please contact us today!**
